

# FUNGAL CULTURE COLLECTION UNIVERSITY OF MINHO MICOTECA DA UNIVERSIDADE DO MINHO

## MISSION

MUM provides a wide range of services to the scientific community, including:
 

- Fungal culture collection and maintenance
- Fungal identification and taxonomy
- Fungal DNA sequencing and genotyping
- Fungal morphology and physiology
- Fungal safety and quality control
- Fungal conservation and management

## INTERNATIONAL FUNDING

MUM is a member of the International Fungal Culture Collection Organisation (IFCCO) and the World Federation for Culture Collections (WFCC). MUM is also a member of the European Union (EU) funded project "MUM-Net: A Network of Mycological Resources Centres and Associated Infrastructure for Research and Education".

SAIDA DE EMERGENCIA

# FUNGAL CULTURE COLLECTION UNIVERSITY OF MINHO MICOTECA DA UNIVERSIDADE DO MINHO

## MISSION

The MUM project is a national initiative...  
...aiming to create a fungal culture collection...  
...for research and teaching purposes...  
...in the area of mycology and biotechnology...

## INTERNATIONAL FUNDING

European Culture Collections Organisation  
International Union for Pure and Applied Chemistry  
International Microbial Data Center of Microgenomics  
The Biological Collection Archive  
In the past MUM worked the  
...of the European Union...  
...of the Global Biodiversity Information  
...of the International Union of  
...of the European Union...  
...of the International Union of  
...of the European Union...

## STRAIN SUPPLY

MUM provides a consultation service...  
...for the deposit of strains...  
...for further information...  
...to visit our premises...  
...to deposit strains...  
...to receive strains...  
...to receive strains...  
...to receive strains...  
...to receive strains...
